

## **REMARKS**

In the Official Action, the Examiner indicated that Claims 15 and 20 were allowed. The only objection the Examiner had to the remaining claims were objections under 35 U.S.C. Section 112. In particular, Claims 1, 12 and 24 included a recitation of "the user", for which the Examiner believed that there was no antecedent basis.

With this Response, the Applicant has amended Claims 1, 12 and 24 to replace "the user" with "a user" which should satisfy any antecedent basis problems.

With these §112 issues being addressed, and there being no other outstanding issues or objections, the Applicant believes that all of the claims currently in the case are in condition for allowance.

Re-examination and re-consideration culminating in the allowance of all claims is therefore respectfully requested.

If the Examiner has any questions about this Response, she is invited to telephone the Applicant's attorney at 317-822-0033.

### **Request for Extension of Time**

If necessary, Applicant requests that this Response be considered a request for an extension of time for a time appropriate for the response to be timely filed. Applicant requests that any required fees needed beyond those submitted with this Response be charged to the account of E. Victor Indiano, Deposit Account Number 50-1590.

Respectfully submitted,

E. Victor Indiano, Reg. No. 30,143
